Attorney Ms. Jennifer MacLennan informed the board that with respect to the Executive Session, there are two Executive Sessions. The first one is under A3 and she doesn't have any comments with respect to that. With respect to the 2<sup>nd</sup> Executive Session, it's noticed that under both A3 and A4, that A4 is to give direction to the attorney for the Public Body if certain instances are at issue and she noted that on the board's agenda they have an Action Item separately in the agenda which would allow the board to provide the attorney with direction. She suggested that when the board moves into Executive Session that they just move under A3 and not under A4 as listed on the agenda.

*Mr. Allsworth moved for approval to move into Executive Session pursuant to A.R.S. 38.431.03.A3 in accordance with the recommendations of counsel. Dr. Stark seconded the motion.*

*For the 2<sup>nd</sup> Executive Session, Mr. Allsworth amended his motion to say for the reasons specified in the agenda, which Dr. Stark accepted as an amendment. The board approved the motion and the amendment by 4-0 and adjourned into Executive Session at approximately 6:15 p.m.*

Mr. Lind stated that Items H2 and H3 are related and that Capitol School originally submitted an Out of State Field Trip Request for students for a June trip and their estimated cost exceeds the Procurement Guidelines which prompted the RFP to be issued under Item H2. Mr. Lind stated that administration recommends that the Governing Board approve the RFP Award 007-0910 to Class Travel LLC for Capitol School's Student Field Trip to San Francisco in June not to exceed the \$35,374 limit based upon the RFP. Dr. Marston asked Mr. Lind if they have already raised the money or if the board's motion needs to be conditional upon their having the money. Mr. Lind stated that Capitol School is actively raising the money but he doesn't know if they have all \$24,000 in the bank, but he knows that they're well on their way.
