Family Fun Night

Fun Fact!

Did you know that frogs hibernate during the winter?

Frogs wake up during early spring after a long winters nap! After waking up, they will start making their way to ponds and lakes. Some will hop or crawl almost a mile to make it to their new spring time home!

Walking For Autism!

On Friday April 4th, Emerson School held their 3rd Annual Autism Walk. The event centered on raising autism awareness while hosting different activities for the students and their families. Students enjoyed pet therapy, painting, and tons of hands on activities!

Thank you to all the participants and volunteers that made this event such a success!
