

Phoenix Elementary School District Approved Food List – Smart Snacks

USDA's Smart Snacks in school standards are practical, science-based nutrition standards for all foods and beverages sold or served to students during the school day. The new rule went into effect July 1, 2014 and merges the previous Arizona Nutrition Standards.

The following list is of foods and beverages that meet the standards for K-8. This list is **not all inclusive**. Alternative items may be available at different stores. Manufacturers' ingredients and distribution change frequently. To find out if a food or beverage not on the list meets the standards, visit <http://tools.healthiergeneration.org/calc/calculator/> for an online calculator. If you have additional questions, please contact the Nutrition Services office at (602)257-3759.
