At this time, some locations may show no flu vaccine available - even when supplies are in place.  
Please call a location to confirm availability.

### Flu Shot Clinics open Monday-Friday from 8AM-4:30 PM

MCDPH operates three childhood immunization clinics for children ages 0 years up to their 19th birthday. Immunizations are provided **free of charge**. Vaccines are also available for uninsured or under-insured adults at our clinics. Please bring the immunization record, insurance card and your own pen. **ATTENTION: All three immunization clinics are seeing patients primarily through scheduled appointments to allow proper social distancing in the clinic. Please call [602-506-6767](tel:602-506-6767) to schedule.**
