

2020 DISTANCE LEARNING CHOICE BOARD #3:

1st GRADE

- For each day of distance learning, students should choose at least one activity from each subject area column (Math, Reading, Science/Social Studies, and Specials), or students can log into one of the websites indicated on the bottom row.
- Please fill in the Activity Log on the next page. Students should return the Activity Logs to their teacher when requested.

MATH	READING	SCIENCE/SOCIAL STUDIES	SPECIAL AREAS
Count to 120 by 1's, 2's, and 10's. Start at different numbers. For instance, start at 30 and count to 81. Start at 63 and count to 110. Start at 12 and count by 2's to 62. Start at 40 and count by 10's to 120. Use silly voices for a little fun.	Practice as many phonics games as you can in 30 minutes using the games here: https://www.starfall.com/h/index-grades123.php	If you have access at home pick a new <i>Are We There Yet?</i> video to watch: https://kids.nationalgeographic.com/videos/are-we-there-yet/ Write two sentences explaining something interesting you learned or would like to do in that location.	PE: Create three different pathways in general space in my house (curve, zig zag and straight lines).
Jamel brings 9 pencils to school. He gives some to Gio. He has 6 left. How many did he give to Gio? Draw a model to help you. Create another problem similar to this and give it to an adult. Pretend you are the teacher and help the adult solve it.	Have someone read to you for 10 minutes. Write the title and 2 sentences about the text. OR visit https://classroommagazines.scholastic.com/support/learnathome/grades-1-2.html and click on "Watch a Story"	A property is the way something looks, feels, smells, sounds or tastes. Find 5 different objects and write all the properties for each object. Explain what properties the 5 objects have in common.	Music: Sounds all around us: Sit inside or outside. Close your eyes. Listen for any sounds. (Ex. I just heard a helicopter fly over. The sound was a steady beat meaning the beat stayed the same) Identify whether or not the sound has a steady beat or not. Share your answers with a friend/sibling/parent.
Use counters or a number line to find the unknown number. 9 + ____ = 15 17 - ____ = 5 11 - ____ = 3 ____ + 3 = 16	Using 2-3 sentences, write about your favorite animal.	A force is a push or pull. Think about your favorite sports you like playing or watching. List all the ways during that sport game the players would be using a force (push/pull).	Art: Who is your favorite person? What features on that person's face stand out? Thinking about shapes and using your imagination draw and color a portrait of someone's face. Use any materials you have at home.
Pick three items in your house such as boxes of cereal, shoes, chairs, etc and make a tally chart showing how many you have. What is the total number of items?	Reread your favorite book. Draw a scene from the story that is your favorite part.	Find a photo of a favorite family activity or event that you remember. Write three sentences explaining why this event was important either to you or the other people involved with the photo.	Media: Color a picture of your favorite animal from a book or show using your own drawing or a computer printed picture.
Compare using > or <. Draw ones and tens to prove your answer. Explain to an adult. 49 ____ 51 29 ____ 30 87 ____ 82 76 ____ 67	Write a How-To book about something you know how to do or make all by yourself.	Describe how science and technology (e.g., computers, air conditioning, medicine) have improved the lives of many people.	Performing Arts: Practice Ballet positions 5 mins./day. Show a family member.

KHAN ACADEMY. Click here to go to [Khan Academy](https://www.khanacademy.com). Either sign into your existing account or register for a new account. Practice for 10-15 minutes.
IXL: Click here to go to [IXL](https://www.ixl.com). Sign into your existing account. If you do not have an account, just click on a topic you would like to practice (use free version). Practice for 10-15 minutes.
PRODIGY (math). Click here to go to [Prodigy](https://www.prodigy.com). Either sign into your existing account or to register as a "New Player." Practice for 10-15 minutes.

2020 DISTANCE LEARNING ACTIVITY LOG #3:

1st GRADE

- For each day of distance learning, students should choose at least one activity from each subject area on the Choice Board.
- Please record the activity you did and the time it took you to complete it on this Activity Log.
- A family member or guardian should sign the bottom of the form.
- Students should return the Activity Logs to their teacher when requested.
