

Contribution Reporting | Arizona State Retirement System

Online Contribution Reporting

The Arizona State Retirement System has created an Electronic Transfer Payment System that enables member employers to submit contributions to the ASRS via the Internet.

This payment system is part of the State of Arizona's effort to provide efficient and secure online transactions.

Log in

Employer representatives must log in to access the secure employer section of the website to submit contributions.

Contribution Calculator

We've developed an online calculator that can help identify the types of pay and verify the correct amount of contribution to be taken out of the employees pay each pay period to match and submit to the ASRS.
